BASIC BUS REGULATIONS FOR EVERYONE'S SAFETY

1. You must be at your designated pick up location at your scheduled time. We cannot wait more than 5 minutes at any stop. Three (3) no shows will result in suspension of riding privileges.
2. Do not distract the driver while they are operating the bus.
3. All school students must wear seat belts.
4. All riders must remain in their seat at all times except when entering or exiting city buses.
5. Please have pass or correct change when boarding to prevent delays.
6. NO ALCOHOL, NO SMOKING, and NO EATING allowed.
7. NO loud or offensive noises that might disrupt passengers or the driver.
8. Disruptive passengers will be dealt with as follows:
 - First Offense: You will be asked to comply.
 - Second Offense: If you have a parent or guardian they will be notified, otherwise you will be notified of further action.
 - Third Offense: You will be removed from the bus permanently or until such time as the ATS Manager determines.
9. We cannot load or unload your belongings including groceries. We have a Grocery Delivery Service available as a separate service. Please call for details.
9. ATS reserves the right to refuse service to anyone violating the rules.

NOTES:

1. Throughout the winter months ATS attempts to run unless weather does not permit. During inclement weather or changes in service, we will announce on the radio or via textcaster (for those signed up), that we are running snow routes, changes in service or no service for that day. This covers medical emergencies, working people and students if school is in session. If the streets become unsafe due to inclement weather, we will discontinue service.
2. ATS attempts to pickup and drop off within 15 minutes of your requested time unless unforeseen circumstances occur.

**ATS RESERVES THE RIGHT TO REFUSE SERVICE
TO ANYONE VIOLATING THE RULES.**
