

Cruisin' to Clinton presents:  
*The Hotrod Reliability Run*

(NEW RAIN MAKE-UP DATE: Saturday, May 13<sup>th</sup>)

Starts at 9 am on the Downtown Clinton Square

This run is a casual drive to test out your car before the Cruisin' to Clinton season starts. This is NOT a race and can be traveled at your own pace. It will depart from the Downtown Clinton Square and travel approximately 120 miles with places to sight see along the way and lots of opportunities to take pictures. We will all meet up at Brown's BBQ in Warrensburg from 1-2 pm for lunch (provided with registration). A "car paramedic" will be following the group for any assistance that may be needed. A little gas, some tools, a tow... The car paramedic will just be a call away. If you are from a surrounding town and would like to jump in from a different location, you are welcome to. We will have two registration points; Clinton and Sedalia. There is no need to clean and polish your ride before, this is for cars that are driven. A great way to start the cruising season with your antiques, classics, motorcycles or hot rods. Open to all that would like to prove their ride is actually "Driven & Dam Reliable".

Route:

- Downtown Clinton Square to Warsaw traveling along Hwy 7 East
  - Meeting place: Truman Lake Dam 29027 Visitors Center Road
- Warsaw to Sedalia traveling along Route 65
  - Meeting place: Thompson Hills Shopping Center 3115 W Broadway Blvd
- Sedalia to Warrensburg traveling along Hwy 50
  - Meeting place: Brown's BBQ 1125 N Simpson Dr
- Warrensburg to Clinton traveling Hwy 13
  - Meeting place: Downtown Clinton Square

Registration:

- \$25
- Registration includes: T-shirt (limited shirt sizes available), Driven & Dam Reliable window cling, lunch & free "car paramedic" service
- You can register the morning of the event between 9-9:30 am
